Message from our Co-Founders

JapanQuest Journeys embodies a uniquely different approach to experience the wonders of Japan; providing a way to decode Japan and to gain an insider's perspective---tapping into "in-the-know-locals" that capture the imagination and attention of high-end travelers worldwide. With decades cultivating local relationships and uncovering special opportunities, our private bespoke luxury journeys unlock the mysteries of Japan, making it truly accessible for our clients who want to experience a deeper side of the real Japan.

We passionately believe that **JapanQuest** Journeys is uniquely positioned to offer luxury Japan travel with an unparalleled single country focus and an extraordinary high-touch service model. Starting with world-class accommodations in some of the most exciting places in Japan, and supported by a local concierge staff throughout your stay, we take the visitor experience a step further by offering a choice of journeys through the Japan that only true locals would know. Japan is vibrant, exceptionally interesting and filled with a rich cultural heritage that permeates every corner of the country.

We know Japan exceedingly well and bring a wealth of experience to you based upon years of living in and traveling throughout the country---delving into its social, cultural and historic backbone. Japan is a captivating place and you will thoroughly enjoy how you experience this amazing country with us.

Our Worldwide Clientele

Our clients seek an extraordinary “tailor-made” private luxury travel experience. We represent corporate travelers worldwide, discerning professionals who want platinum service and who desire to go beyond the surface and fully immerse themselves in Japan.

Flexible duration stays are available that are perfect for executives traveling to Japan and seeking special experiences to enhance their planned company visit. We lead our clients to wonderful and secret, impossible to find spots that are illusive to most visitors.

Each journey is collaborative and fully customized. We develop and implement trips reflecting your personal tastes and the interests of your group all brought together with our creativity, expertise and access into a bespoke itinerary.

We engage the finest planners, personal concierges, guides and drivers that exude the highest knowledge, resourcefulness and thoughtful professionalism.

What Our Corporate Clients Are Saying

"...Please accept my greatest thanks for arranging a marvelous corporate event for over 30 persons that exceeded my expectations in every measure."

"Several of our American senior executives toured Japan with JapanQuest Journeys and had an awesome time with the itinerary and experiences that you carefully planned for them; introducing our team to the culture and beauty of the country. Our trip was a unique and special experience for all of us including myself, a Japanese."

"...We engaged JapanQuest Journeys to help plan our itinerary a few days before and after an organizational trip. Though we had only a few days on either end, with JapanQuest Journeys' help, we were able to pinpoint exactly what we wanted to see....and transitioned flawlessly between the trips."

Traveler Services and Our Difference

Our unique in-country presence deepens our knowledge of the local landscape and keeps us close to the market where personal relationships are key – providing our clients with insight and access to the most wonderful and intimate resources that will capture your imagination.

Each journey will be replete with flexibility; moving at your pace and attuned to your interests and any group needs. We offer choices that are creative, interesting and exclusive – customized to achieve our client's travel objectives.

Throughout each journey, our platinum end-to-end service will ensure that expectations are exceeded – bringing a level of care and attention directly to you that will exude the finest levels of Japanese service quality.

We personally select all concierges, guides and drivers and continually monitor their performance under rigorous standards.

JapanQuest Journeys' ability to deliver a unique high-end experience for corporate executive clients is unparalleled as they access Japan through the lens of "insiders" who know the country exceedingly well.

Our concierges and guides are the absolute best in Japan

Private Bespoke Itineraries

Each itinerary is individually customized to cater to each client's interests and needs and incorporates a variety of special experiences, accommodation styles and culinary choices.

For illustrative purposes, shown below are three sample itinerary approaches that offer our clients flexibility based on the time available for their planned stay in Japan as well as cultural interests and in-country travel flexibility.

Local Journeys

Take a leisurely day journey through the picturesque areas of Kamakura, Nikko, or Hakone. Or explore Tokyo's eclectic neighborhoods, innovative art galleries and beautiful gardens. End the day by dining in one of Tokyo's top restaurants.

Signature Journey Collection

From the great outdoors of Hokkaido to the spiritual centers of Ise and Wakayama to the hot spring rich regions of Kyushu, our **Signature Journey Collection** represents some of the most amazing and timeless places off Japan's well-trodden paths.

The Essence of Japan

After exploring Tokyo with its many diverse neighborhoods and sites, travel onward to the quintessential and culturally enriching former capitals of Kyoto and Nara. Enjoy the historically important port city of Hiroshima, or Osaka, the food haven of Japan.

All itineraries are tailor-made, flexible and designed to engage our client's interests

We will design and implement a journey that will enable you to transition seamlessly between your planned company events and available time to explore Japan.
